**Susanna Oroyan, Carol Waugh : Collector's Guide to Contemporary Artist Dolls** before purchasing it in order to gage whether or not it would be worth my time, and all praised Collector's Guide to Contemporary Artist Dolls:

5 of 5 people found the following review helpful. Collector's Guide to Contemporary Artist Dolls By A Customer This book offers an overview of the concepts of "Art vs. Craft" and "Art Dolls". There are 40 artist interviews with many pictures, unfortunately they are all black and white which is why I rated it low. There is also an artist's diary of the process of making a prototype doll. 1 of 1 people found the following review helpful. Great to see doll styles; NOT great that there's no color! By Angelgirl Yes, rated "3" instead of "5" because pictures are all black and white, no color. But to see features of dolls from all these artists, it's just fine.
