**Sue Bleiweiss : Colorful Fabric Collage: Sketch, Fuse, Quilt!** before purchasing it in order to gage whether or not it would be worth my time, and all praised Colorful Fabric Collage: Sketch, Fuse, Quilt!:

4 of 4 people found the following review helpful. Colorful and Well WrittenBy Sanford55Colorful and well written! There are many great examples and tips from Sue and some of her favorite fiber artists using fusible webbing. Sue starts with the basics and even includes her own easy fabric dyeing method. She creates all the gorgeous colors for her quilts and other projects in this book. These range from a small art quilt, to progressively larger quilts as well as other fun items. Although I have made small art quilts using one fusing method, I am new to using a fusible web with no backing paper. I highly recommend this book for anyone interested in learning about what appears to be a fun, easy method of dyeing fabric or creating sewing projects using fusible web. Sue's book very well shows you how!0 of 0 people found the following review helpful. This is a great spring board its perfect and the detailed instructions are wonderful.0 of 0 people found the following review helpful. This looks like the book I have been

waiting for. By Wilda J. Hurst Interesting Haven't read, but I plan to soon. I so want to make a collage quilt

Easy-to-master techniques for creating vibrant art quilts and colorful accessories. Colorful Fabric Collage walks the reader through the techniques that renowned quilter Sue Bleiweiss uses to create her colorful, vibrant art quilts. Readers will learn easy fusing techniques that serve as the basis for her design, along with ideas for keeping and using a sketchbook, hand-dyeing fabric, and adding further embellishments. Offering techniques and projects, Colorful Fabric Collage leads readers through the steps to successfully design, fuse, and quilt 14 projects based on Sue's signature style. Sue inspires readers to tap into their own creativity by encouraging them to personalize each project with uniquely meaningful images. They are invited to draw on the project pattern drawings and then encouraged to sketch their own quilt designs from scratch. They'll also be emboldened by the easy-to-master techniques for sketching quilt designs, fusing layers of fabric into a collage, and embellishing and finishing each piece in a clever way.
