Highly recommend, and would buy from again! A++ Thank you!0 of 0 people found the following review helpful. Recommend it to everyone to have on hand for an ...By MedTech2009This book is worth its weight in gold. Recommend it to everyone to have on hand for an emergency cleaning solution as well as every day use.

Cleaning doesn't have to be a chore if you know the best, most efficient way to get the job done. Consumer Reports How to Clean (and Care for) Practically Anything is the one book that gives you smart cleaning strategies, plus:* At-a-glance charts for removing stains from fabric, upholstery, floors, and more* Comprehensive A-to-Z listing for the best way to clean more than 200 household items* What to know when choosing the right cleaning agent for the job at hand* An in-depth guide to all of the cleaning appliances and tools you might need, from air cleaners to vacuums, from brooms to water filters* A separate section of Special Cleaning Advice, with comprehensive care information for laundry, flooring, and more. Plus recipes for everyday household cleaners

"Consumer Reports comes to the rescue."--St. Petersburg Times"A great book to have on hand when you've spilled more than the beans."--Chattanooga Free Press"Information on which cleaning products do what and how well they do it."--Newsday
