**Ann Davies : Contemporary Crarts: Rag Rugs (Contemporary Crafts)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Contemporary Crarts: Rag Rugs (Contemporary Crafts):

MANASCOThough this book in itself is wonderful, it is the same exactbook as "Rag Rugs" also written by Ann Davies.The latter has a cover featuring a black cat, a pot of tulipsand a chair with a denim rag rug on it. The subject book features blue,red and other colors in a sunburst pattern over the entire front cover.CONTEMPORARY CRAFTS - New Holland PublishersRAG RUGS - Henry and Holt Co. Publishers(A chair with a denim rug and a black cat on cover) HOW TO USE ANCIENT AND MODERN RUGMAKING TECHNIQUES TO CREATE RUGS, WALLHANGINGS,EVEN JEWELRY - 12 PROJECTS.Sadly, for those

wishing to add to their collection, these books are one and the same, so having but one in your library is sufficient.

Discarded clothes, sewing remnants, even old blankets--recycling materials you have available or find at sales is part of the fun of rag rug-making. The other enjoyable part is the techniques--from hooking to prodding to braiding strips. Put them to work to great effect with a wide selection of designs in the Broken Glass, Star-Burst, Bright and Breezy, Edge of the River, Blossom Time rugs. You're not limited to rugs, however! Choose from a wall hanging, a cushion cover, and a pin (you'll make this environmentally friendly piece of jewelry from paper scraps!). Plus: information on adapting design ideas and experimenting with a variety of different materials. 96 pages (all in color), 7 1/2 x 10 1/2.
