Sherri Boldt : Contemporary Designs for Glass Etching (Dover Stained Glass Instruction) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Contemporary Designs for Glass Etching (Dover Stained Glass Instruction):

Easy to master even with its intricate patterns glass etching is an art form that can turn a piece of plain glass into a work of art. This practical guide to the craft provides glassworkers with more than 60 attractive, original designs, ideal for applying to dozens of projects. Patterns ranging from nautical themes and Art Nouveau designs to florals,

butterflies, and borders are accompanied by instructions for attaining perfect results. Also included is a list of materials needed for making etched glass art at home.
