**Anna Croyle : Contemporary Designs Stained Glass Pattern Book (Dover Stained Glass Instruction)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Contemporary Designs Stained Glass Pattern Book (Dover Stained Glass Instruction):

10 of 10 people found the following review helpful. Contemporary treasure troveBy Happy Human ArtistryThis is the second stained glass pattern book of Anna Croyle's that I've purchased. I thought the Modern Designs pattern book was fantastic, so I pr-ordered this one through . I was thrilled when I got it like it as much or more than Modern Designs. Her style really resonates with my own. I have used a couple of her patterns without modification, but what I like most about her patterns is the ease with which I can modify the designs create something unique without the time-

consuming process of starting from scratch. Although some of the patterns have cuts that would be extremely difficult without a saw, which I don't have, most are workable with just an old fashioned hand cutter. So far I haven't had any trouble with them. I really appreciated the variety, volume quality of the color pictures in this book of each pattern. I highly recommend this pattern book.0 of 0 people found the following review helpful. Five StarsBy 4strengthThank you3 of 4 people found the following review helpful. Gorgeous designsBy Kimberly A.I am thrilled with this book. I have ordered other stained glass books and been disappointed by the uninspired designs. Not so with this book. The designs are fresh and inspire exploration. I have used several as starting points and then adapted them to my specific needs. I would definitely recommend to anyone who is looking for something a little different.

Here's a chance for traditional stained glass artists to expand their craft with a dynamic modern look. Mixing abstract shapes with elements from nature, this array of seventy exquisite black-and-white patterns includes "Butterfly Breeze," "Life in a Fish Bowl," "Peonies," and other designs for every taste and occasion.Full color images offering vivid depictions of every design appear on the inside covers. Presented in a variety of shapes and sizes, the patterns can be easily reduced or enlarged to fit any project. A splendid source of design inspiration, these royalty-free images can be adapted to print, textile, needlework, and other craft projects.
