R. Bushby : Cosmetics And How To Make Them before purchasing it in order to gage whether or not it would be worth my time, and all praised Cosmetics And How To Make Them:

0 of 0 people found the following review helpful. Excellent Book. Well writtenBy ZaraGem of a Book. Simple and Straightfoward. Great book to begin a journey into making cosmetics

A republication of the early 1900s edition. This vintage book's contents include practical advice on the various

methods and materials used to make many types of cosmetics. Contents include: Face Powder; Lotions (Including a Skin Tonic - An Astringent - A Muscle Oil - A Liquid Powder); Oils Fats - A Cleansing Cream - A Skin Food - A Pore Cream; Vanishing Creams; Powder Cream - Waterproof Cream - Foundation Cream; Rouges - Eye Shadows; Nail Polishing Pastes - Varnishes and Laquers and much more. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this book now in an affordable, high-quality, modern edition.
