DK Publishing : Craft: Techniques Projects before purchasing it in order to gage whether or not it would be worth my time, and all praised Craft: Techniques Projects:

0 of 0 people found the following review helpful. It began with my interest in paper mache but I quickly became lost in other fun projects.By Chicago SueFabulous book! I bought one for myself then gave it to a creative friend....and bought another for myself. It began with my interest in paper mache but I quickly became lost in other fun projects.0 of 0 people found the following review helpful. Five StarsBy kathylots of ideas3 of 3 people found the following review helpful. Great BookBy BarbaraThis book covers loads of crafts and in enough detail that you can do the projects. Tons of photos. This is a must have book fir any crafter looking to try out new crafts without having to spend money and time on classes or books and books on subjects you just want to try.

Packed with more than fifty projects displaying a range of crafting techniques, from appliqu to mosaics Craft is the ultimate go-to inspirational reference for every crafter's bookshelf. Whether its textile crafts like felting and batik, paper crafts like decoupage and rubber stamping, jewelry techniques like beading and silver wirework, or more

specialized crafts like soap making, this guide is guaranteed to whet the appetite of both novice and experienced crafters. With clear step-by-step techniques and close-up full-color photographs, Craft gives the art of making a modern makeover.

"The book is a comprehensive guide to a variety of craft techniques, written by top crafters in their fields." The Cape Cod Times
