From Brand: O'Reilly Media : Craft: Transforming Traditional Crafts Set: The First Year before purchasing it in order to gauge whether or not it would be worth my time, and all praised Craft: Transforming Traditional Crafts Set: The First Year:

0 of 0 people found the following review helpful. A great set chock full of inspiration. By B. Beckwith Craft: magazine is great. This First Year set includes the first four issues. I bought this as a gift for a friend and she absolutely loved it. It's published by the same people who put out MAKE and the quality is on par with that magazine, but with a focus on "craftier" goods. Even after borrowing my friend's copies a few times, I'm still tempted to pick up a set for myself. Good stuff!
