ChicagoGreat book - i can't remember where I saw this advertised but it inspired me to make a doll for my daughter. i need another project like a hole in the head but alas I ordered it anyway lol. Lots of info and ideas in the book.2 of 2 people found the following review helpful. Fantastic and inspiring bookBy NoBoMamaFantastic and inspiring book. My 7 year old and I are making a doll together from this pattern. She is very excited by all of the accessories and clothing you can make for the dolls based on the patterns in this book. The directions are very clear and there are a lot of color photos . Highly recommend this and other books by Jane Bull.1 of 1 people found the following review helpful. Highly recommend for those crafty hands that enjoys creating things in ...By Maricar AbayaMy 7 year old daughter and I are loving this book. She has made plans on what crafty projects she can do by herself and which ones we can do together. Highly recommend for those crafty hands that enjoys creating things in simple and easy to follow instructions.

With a few hours and simple materials, even beginner crafters can make darling dolls with Jane Bull's help. In *Crafty Dolls*, Jane offers up original designs for dolls of all kinds that can be customized in hundreds of different ways. The Lottie Doll, a simple rag doll, can be adapted, dressed up, and accessorized to accommodate the hobbies and tastes of kids of all ages (what better holiday or birthday gift than a homemade doll!). The book also includes patterns for topsy-turvy dolls, tiny dolls, even a mermaid with glorious rainbow-yarn hair. For crafters, sewers, and knitters, *Crafty Dolls* offers inspiration along with gorgeous and quirky doll projects that are fun to make, dress, and accessorize.
