The price was too high for one demonstration. Not really worth.0 of 0 people found the following review helpful. Take Some TimeBy Lezlie YoderCreate with the Designers: Altered Scrapbooking with Susan Ure (Create With Me)While the reviews on this have not been very high, consideration should be given to the fact that this DVD is directed to a beginner. Even this

crafters of 30 years picked up a couple of techniques I hadn't considered previously. A person just needs to go into every nook and cranny of this demonstration as well as the CD of images. Take your time with this one. Illustrations are very clear and easy to print. 1 of 5 people found the following review helpful. *Altered Scrapbooking* By Rae Lynn Lingenfelter I wish I had not purchased this book/DVD. I do not feel it was worth the money I spent on it. It certainly was not what I was expecting and hoping for.

Susan Urea prolific author and guest on *The Christopher Lowell Show* presents an invaluable introduction to the most exciting, fastest-growing trend in crafts: mixing altered art with scrapbooking. It's all about taking an existing volume and embellishing the pages until a unique, personal scrapbook emerges. Urea covers it all, from choosing materials to creating a pleasing composition.
