Cynthia Norwood : Creating an Antique Look in Hand-hooked Rugs (Framework) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Creating an Antique Look in Hand-hooked Rugs (Framework):

0 of 0 people found the following review helpful. Five Stars By susan stovall this is a wonderful book to have...contented...quick delivery,, reliable sell
0 of 0 people found the following review helpful. A Time Machine for Rug Hookers By Wild Sunflower I have not yet been able to actually hook any of the patterns, but the inspiration and help are well worth the price. Many ideas on how to make a new rug look the old ones you saw as a child.
0 of 0 people found the following review helpful. Must have. By Charles A. Grimes This is a must have for Rug Hookers.

Details of basic design elements for the antique look. Learn how to create or personalize a pattern for the antique style

as well as dyeing techniques and colors used in achieving the antique look. Includes information on background treatments, fabric selection, and design decisions used for hooking.

From the Publisher 75 color photos, 1 pattern. About the Author Cynthia Norwood has been designing and hooking rugs since 1980 and is known as one of the premier experts on primitive style rug hooking. As a teacher and designer, she is in demand at rug schools and rug camps. She is the author of *Creating an Antique Look in Hand-Hooked Rugs* (978-1-881982-59-3) and frequently contributes to *Rug Hooking* magazine. Her award-winning work has been exhibited in museums and shows and in publications around the country. She lives in Austin, Texas.
