In this, her second book of dolls house furniture projects, Julie Warren shows you how to build a range of contemporary base and wall units in three different styles; Cottage, Farmhouse and Modern, which can be joined together to create a fully fitted, custom-built kitchen for your 12th scale dolls house. 15 further projects are also included to complete the look for each kitchen style. Julie offers tips and advice on working with wood, creating decorative mouldings and constructing your pieces along with instructions for planning the layout of your kitchen. A

list of all the tools and materials you will need to complete the projects in the book is also included. With many beautiful illustrations providing ideas and inspiration to create your dream 12th scale kitchen, this book is a must for any dolls house enthusiast.

About the Author Julie Warren has been designing and making dolls' house furniture for over sixteen years. This is her second dolls' house furniture projects book. She also contributes regularly to dolls' house magazines.
