By L. Cullen  
This book is much better than the usual compilations of overwrought scrapbook pages. It includes many ideas on how to use leftovers from other projects and lots of resources on how to find other ideas. The authors were very generous with their how-to knowledge.

By Ron G.  
I love it!

Scrapbookers are always on the lookout for inspiration to ignite their creativity, and this big book is full of tips and techniques representing the best ideas from the pages of *Creating Keepsakes* scrapbook magazine. There are creative page layout ideas and versatile sketches, tips and tricks of all kinds for creating unique scrapbook pages, photography pointers, in-depth articles on the hottest scrapbooking techniques and tools, advice on organizing thoughts for journaling and captions, and so much more. Articles are devoted to a wide range of topics such as making the most of leftover supplies; saving time and energy; making layouts blossom with handmade flowers; and simple ways to scrapbook photo-less memories. This book is a great resource for novices as well as longtime scrapbookers.
