Yoshiko Kitagawa : Creative Cards: Wrap a Message with a Personal Touch before purchasing it in order to gage whether or not it would be worth my time, and all praised Creative Cards: Wrap a Message with a Personal Touch:

1 of 1 people found the following review helpful. A lovely way to dress up your cards or messagesBy L. U.I make a lot of origami cards with Japanese paper. This book provides excellent, creative ideas for wrapping your card or message, so that it can be offered almost as "a present". I have enjoyed using this book and would definitely recommend it.4 of 4 people found the following review helpful. Simply BeautifulBy A RomeroThe card designs in this book are simply beautiful! It is packed full of detailed instructions to create artistic Japanese paper engineering

card design. If you are creative, you can easily customize the designs by using different papers, calligraphy, drawing, watercolors and more. The possibilities are endless!60 of 61 people found the following review helpful. Excellent pictures with inspiring designs!By scilla@ix.netcom.comThis book was an excellent attempt to show people how to make cards that are also a personalized gift. It was a fun book to look through because the photography was wonderful. The writing inspired me to start making my own personalized cards for special occasions and close friends. In addition, the directions were clear, with step-by-step diagrams. The drawback is that some of the cards were very difficult to make (I have tried making about half of them), and perhaps not realistic for the novice. However, I also use this book for ideas and I don't ever tire of going through it. I highly recommend this book for people who love paper crafts!

This work contains dozens of stylish easy-to-make cards by award-winning package designer Kitagawa, Yoshiko. It provides simple and precise instructions and 300 step-by-step illustrations.
