Jean Taylor : Creative Flower Arrangement before purchasing it in order to gage whether or not it would be worth my time, and all praised Creative Flower Arrangement:

1 of 1 people found the following review helpful. Five StarsBy Beverly Anne Welshexcellent book2 of 2 people found the following review helpful. An excellent resource for novice and experienced designers!By W. DowningJean Taylor has long been lauded as an excellent teacher and demonstrator of floral design techniques. This book is a great resource tool for floral designers at all levels of expertise. Its simple to read and follow directions and tips are invaluable. For anyone interested in the art of floral design, this book is a must have.

A fully illustrated guide which describes the skills and techniques involved in flower arranging. It deals with equipment, how to prepare and condition plant material, how to make containers, plaques, swags and garlands, and how to preserve certain plants by various methods.
