**Memory Makers : Creative Layout Variations (Memory Makers)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Creative Layout Variations (Memory Makers):

0 of 0 people found the following review helpful. It's ok.By Amy TI didn't find this book very helpful. Most of the ideas are the same, page after page. Not all that impressed.

Creative Layout Variations is for scrapbookers of all levels seeking simple, practical ideas along with projects that challenge and expand their skills. This versatile guide shares: Ways to embellish photos, grouped by skill level, time available and budget; Simple, intermediate and advanced page designs using the same sets of photos; Art that reflects the latest trends in scrapbooking; Creative Layout Variations will show readers that their page designs can be as varied and personal as their photographs.

About the AuthorMemory Makers Books encourage crafters to create outstanding scrapbook pages for every occasion

and life stage. Memory Makers titles offer the highest level of instruction and inspiration for scrapbookers - the fastest-growing segment of the craft industry.
