**Marina du Plessis : Creative Scrapbook Piecing 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised Creative Scrapbook Piecing 2:

Due to the unprecedented popularity of Creative Scrapbook Piecing in her native South Africa, Marina has compiled her second collection Creative Scrapbook Piecing 2 of even more scrapbook layouts created with little besides paper. This second volume includes themes such as special events, Christmas, birthdays, weddings, nostalgia, memories and sheer fun.

About the AuthorMARINA du PLESSIS is a full-time teacher and is the author/illustrator of a number of books in the

field of child education, childrens fiction and childrens bible books. She has been scrapping for a number of years.
