Kat Goldin : Crochet at Play before purchasing it in order to gage whether or not it would be worth my time, and all praised Crochet at Play:

Kat Goldin's frustration at the lack of modern and creative patterns led her to begin designing her own, sharing her projects on her popular blog and leading her to the forefront of the current trend for crochet. This collection of fun pieces allows children to explore their imaginations - whether on the prowl in a lion hat, riding their trusty steed hobby horse, keeping cosy while jumping in puddles with their welly warmers or resting at the end of all their adventures in a mermaid's tail sleeping bag. Projects range from hats to blankets, cardigans to dresses, and even toys for the play room and are suitable for all crocheters of all abilities.
