About the Author Aranzi Aranzo claim to be a Mexican-Japanese man and Norwegian Vietnamese-Indian man, working at securities firms and playing the tambourine full-time. What we do know about them, however, is that they are actually two sisters--Kinuyo Saito and Yoko Yomura--who create mischief and fun through high-cute (as in "high

art") crafts and comics. Besides having created and maintained a multi-million dollar independent enterprise of "Japanese cute" materials, stories, home accessories, furniture, dolls, and even alcohols, Aranzi Aronzo have also been responsible for the mascot design of the Aichi World Expo 2005. Aranzi Aronzo's world of cute can be experienced online at <http://www.aranziaronzo.com/>.
