Cynthia Hart : Cynthia Hart's Scrapbook Workshop before purchasing it in order to gage whether or not it would be worth my time, and all praised Cynthia Hart's Scrapbook Workshop:

0 of 0 people found the following review helpful. Five StarsBy JGreat and Beautiful book!
0 of 0 people found the following review helpful. Cynthia Hart's Scrapbook WorkshopBy Kathryn Sloan
This is a wonderful book, but I expected much more from Cynthia Hart. This was not her best and it did not meet my expectations. I probably wouldn't buy it if I had it to do over again.

By Southern Belle
A Victorian Scrapbook of Treasures. Loved it.

It's about grandmothers saving memories for grandchildren. Mothers creating books for sons and daughters. Entire families getting together to cut and paste in imaginative and beautiful ways. From a life-long chronicler whose A Victoriana Scrapbook and other Victoriana gift books have over 604,000 copies in print, here is a complete, step-by-step guide to scrapbooking, the new American passion. Fully illustrated in full-color and black and white, CYNTHIA HART'S SCRAPBOOK WORKSHOP covers it all. Acid-free papers and other archival materials. Inventive ways to incorporate writing and drawing. Planning and laying out a memory book. Setting up a workspace. All the techniques and tricks of the trade: enlarging, cutting, gluing, ironing, cropping photographs, creating stencils, using decorative-edge scissors. Rounding out the book are 30 great inspirational projects, including baby books, school books, flower

books, travel albums, and memory bouquets. Guided by Cynthia Hart's dazzling design sense and expertise, any enthusiast can create beautiful, heirloom-quality albums. Selection of Doubleday Direct. Over 97,000 copies in print.

.com Noted Victorianist Cynthia Hart turns her talented hand to this wildly popular craft with great success, declaring, "Creating a scrapbook is one of the most powerful ways to celebrate our lives and the lives of loved ones." Hart packs into these pretty pages just about everything you need to know: all the basics, plus full-color glimpses of more than two dozen imaginative scrapbook designs on a wide variety of themes (family milestones, celebrating the past, kid subjects, holidays, and much more). There's also a nice section of clip art, patterns, and templates that can be photocopied for use in your own scrapbooks. This volume is about much more than having fun with your photos; this is a guide to making a book of memories, an artful presentation of memorabilia on whatever subject you choose. -- Amy Handy

From the Back Cover INSTRUCTION INSPIRATION Whether you're an experienced scrapbooker looking for fresh ideas or a first-timer with a shoebox full of photographs to organize and preserve, here is a practical, chockful guide to making truly memorable memory albums.
