Monika Mira : Day of the Dead Sugar Skull Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Day of the Dead Sugar Skull Coloring Book:

7 of 7 people found the following review helpful. Nice!By CathyA lot more adults like to color than anyone likes to admit... Tattoo artists, artisans, etc could use this for inspiration for Day of the Dead projects.3 of 3 people found the following review helpful. Wasted space could have been filled with more skulls.By NikonWitchA few general Dia de los Muertos pages, four "full size" skeletons in the book, takes up a lot of room where there could be more skulls to color.Kind of disappointed.5 of 5 people found the following review helpful. The paper quality is great. Durable for markers I love that the ...By summer dillbergI purchased 10 of these for gifts. The paper quality is great. Durable for markers I love that the back side is blank so that if the color bleeds it doesn't ruin something on the other side The life size skeleton cut outs are a bonus

The Day of the Dead (Dia de los Muertos) Sugar Skull Coloring Book features ten (10) original sugar skull coloring pages and one blank skull template that can be customized by the artist. The book was originally developed as an anatomy and social studies lesson for teachers and includes a child life size 4' skeleton that can be torn out, colored in and assembled to make decorations for Dia de los Muertos or Halloween. All the major bones of the skeleton are labeled. Children will learn the names of the bones and how they fit together. If you are only interested in coloring sugar skull, may we suggest the Day of the Dead Sugar Skull Coloring Book 2 (also by Monika Mira), which includes twenty-four meticulously hand-drawn sugar skulls. The back of each page is left blank so that the artist can tear out the pages and use them to string banners, decorate an alter, make masks, or for a cultural activities in the classroom. The sugar skull coloring sheets can be used for mask making and the skeleton is great for party games like "Pin the Femur on the Host".

About the Author Monika Mira is an award-winning author and illustrator who specializes in educational activity books for children. Her first title, The Complete Hawaiian Reef Fish Coloring Book has been used as a supplementary textbook in schools across the United States.
