Leisure Arts : Deco Mesh Wreaths before purchasing it in order to gauge whether or not it would be worth my time, and all praised Deco Mesh Wreaths:

22 of 23 people found the following review helpful. Deco Mesh Review By D. Sloan Deco mesh is a very unique product. It is easy to use and manipulate. As a crafter, the end product is important and with deco mesh you will be very pleased. Also, there are a number of colors you can choose from and different widths as well. It may take you a little while to get use to how it works, but you will be glad to know. Just go in and check what some crafters are charging for wreaths they have made with this. You will be glad to know that now you are familiar with the same product. Give it a try and just add one more thing to your crafting resume. 12 of 12 people found the following review helpful. Christmas By Ms PJ This book was just what I was looking for. I seen my first deco mesh wreath in a crafting store and I wanted to see the ins and out of making it. Fantastic ideas and easy to follow. 2 of 2 people found the following review helpful. Get your basics here. By tjoc Easy to follow instructions. Not very informative on ideas for customizing your own wreath. Also, the craft stores have the rings with pipe cleaners already attached and twice the

size and these pose a problem since they are larger than what the instructions call for.
