Simona Hill : Decorating Glass Ceramics: How to Embellish Glass, Ceramic, Terracotta and Tile Surfaces With Paint and Mosaic before purchasing it in order to gage whether or not it would be worth my time, and all praised Decorating Glass Ceramics: How to Embellish Glass, Ceramic, Terracotta and Tile Surfaces With Paint and Mosaic:

0 of 0 people found the following review helpful. Good information BookBy Joyce L.very good information for decoration glass10 of 11 people found the following review helpful. A virtual bible for glass enthusiasts...By P RUSEI first checked this book out from the library. I realized shortly after opening it that two weeks would not be nearly enough time to absorb the treasure trove of info and ideas it holds. I love doing mosaics and reinventing items that are

considered cast-offs and unusables. This book is a collaboration of many techniques in an easy-to-follow format. I will refer to it often now that it is a part of my permanent collection. 0 of 0 people found the following review helpful. Five Stars
By Suzette Brown
Great book, Excellent tips and helped a lot.

This new book is a comprehensive guide to five immensely popular and challenging craft techniques. It covers Painting Ceramics, Decorating Tiles, Painting Glass, Glassworks and Glass and Ceramic Mosaic.

About the Author
Mary Fellows began her career with a degree in three-dimensional design and now runs her own business designing and painting original and quirky ceramics. Mary's highly successful range sells in outlets in the United Kingdom and overseas.
