**Lisa M. Pace : Delight in the Details: 40+ Techniques for Charming Embellishments and Accents** before purchasing it in order to gage whether or not it would be worth my time, and all praised Delight in the Details: 40+ Techniques for Charming Embellishments and Accents:

2 of 2 people found the following review helpful. Not What I ExpectedBy rose thymeI thought that there would be more 3D projects in this book. It is mostly flat, scrapbook-y projects, and how to edge things in glitter. Nothing new for me. Most of it did not appeal to me personally, and I sold the book, sorry.5 of 5 people found the following review helpful. Beautiful Book!By SonyaI've had this book for about a month now, and I've looked at it so many times I

almost know it by heart! The embellishments are beautiful- they can be as simple or as over-the-top as you choose to make them. I love that most of the supplies can be found pretty much anywhere as I live in a very small town with no craft supply stores within 2 hours. My teenage daughter is obsessed with anything vintage, so I was hoping she'd find something in this book to inspire her, and she did! She's actually made plans to stay home this weekend to work on some projects from this book! So we get to spend a few hours together doing projects to help her preserve memories from her senior year before she goes off to college next year! And I have no doubts that our projects will be beautiful thanks to this book! 10 of 0 people found the following review helpful. Preview In a book store/Michael's, etc before purchasing. By Xander very disappointed in the book. would have liked to return it; however the shipping costs would have doubled the price of payment.

It's in the details! Delight in the details of papercrafting--hand stitches, distressed edges and a little glitter are what make a project extra-special. Delight in the Details will inspire you with more than 40 techniques for creating accents and embellishments that will provide a finishing touch to any papercraft project. Get creative with a variety of materials, from simple paper and fabric scraps to glitter, ink, modeling paste and vintage finds. 100 lovely projects--including greeting cards, scrapbook layouts, mini albums and home decor--showcase the techniques in fabulous form. Plus, take a peak inside the author's studio where pretty vintage details come to life. Learn how to create delightful details like: Shimmering wire sprays Texture paste designs Distressed letters Crepe paper rosettes Delicate felt blooms Button bouquets Vintage paper leaves Perfect for papercrafters and mixed-media artists alike, Delight in the Details helps you make every last detail count!
