Esther Watstein : Design Your Own Needlepoint before purchasing it in order to gage whether or not it would be worth my time, and all praised Design Your Own Needlepoint:

Esther Watstein, an expert in the field, tells you everything you need to know to design your own needlepoint: how to choose canvas and wool, where to find sources of design, how to transfer your design to canvas, what colors to use, how to shade your design effectively, how to finish your piece expertly and more.
