**Jennifer Cooke : Design Your Own Tees: Techniques and Inspiration to Stitch, Stamp, Stencil, and Silk-Screen Your Very Own T-Shirts** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Design Your Own Tees: Techniques and Inspiration to Stitch, Stamp, Stencil, and Silk-Screen Your Very Own T-Shirts:

Sought after for her innovative use of color and pattern, professional t-shirt designer Jennifer Cooke has created 20 do-it-yourself projects--many can be completed in under an hour--for turning your classic tees (and accessories) into

colorful, bold, graphic personal statements. Combining basic sewing, hand-printing, and screen-printing techniques with stylish wearable projects, *Design Your Own Tees* gives you the tools to stand out in the crowd--whether you choose to re-create the looks shown or to adapt the techniques to express your unique artistic vision. Use thread, ribbon, and fabric to play with texture through decorative machine stitching, hand embroidery, and applique. Experiment with found objects and stamps to create pattern through potato and block printing and stenciling. Choose your favorite doodles and images to enhance with color through screen printing. Colorful photographs of the finished projects plus step-by-step instructions with easy-to-follow diagrams will soon have you wearing your art on your sleeve.
