Carol Joyce : Designing For Printed Textiles: A guide to studio and free-lance work before purchasing it in order to gage whether or not it would be worth my time, and all praised Designing For Printed Textiles: A guide to studio and free-lance work:

0 of 0 people found the following review helpful. Designing fabricsBy onCameraThis book was Carol Joyce's first book on designing fabrics for repeat, by hand and contains basic information that is continued in her second book. If you've not designed patterns for repeat, it's good to have on your bookshelf.

A practical, informative handbook that explains how to create textile designs for commercial use.
