There are many extra tips and tricks that are helpful to the novice Navajo-style weaver. Not only tips, but several more techniques such as twill and double weave. Many sample projects are included as well.0 of 0 people found the following review helpful. A MUST-HAVE bookBy patricia RydstromIf you've ever wanted to weave a Navajo rug then this is THE book for you. It's a hands-on How To that will allow anyone, even a person or child, to try their hand successfully to the art of Navajo weaving and the results are very satisfying. A classic!0 of 0 people found the following review helpful. Five StarsBy Customervery good and detailed instructions. Real Advanced!
