Pam Lintott, Nicky Lintott : Dessert Roll Quilts: 12 Simple Dessert Roll Quilt Patterns before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dessert Roll Quilts: 12 Simple Dessert Roll Quilt Patterns:

32 of 32 people found the following review helpful. Dessert Roll Quilts: 12 Simple Dessert Roll Quilt Patterns By Nancy Gilliam Having recently purchased 2 dessert rolls and wondering just what to make with them, I was delighted to find this book. There are at least half a dozen quilts in it that I would like to make, including the charming Hen Party quilt. Last night I cut out the pieces for one of the quilts, Pavlova, and think it will be quick and easy to make. The designs are well thought out and don't necessarily look as though they are "quick and easy". I was pleased that there are only 6 pages at the back of the book on sewing and quilting techniques, as I am tired of buying quilt books that go on and on about how to make a quilt. I'm happy with my purchase. 8 of 8 people found the following review helpful. Dessert Rolls are going to be my next project By Nancy I have been reading these patterns and I am having a really

tough time deciding which quilt to make first. The photos are great with alternate color ways which make it easy to see other options. I have not made one yet but the instructions seem to be very straight forward and easy to understand. With a bonus of a recipe for each quilt. What fun! 7 of 7 people found the following review helpful. Fast, pretty, and easy. By Annie, retired teacher. Lots of cute, pretty, fast quilts using 5 inch strips. Since I have a lot of fabric in my stash, I'll probably cut my own 5 inch strips. The chicken quilt is adorable and I'm having a hard time choosing the fabric. My daughter said I should make a dozen, one for each month. lol But I've purchased 2 dessert rolls already and will probably buy more. One disadvantage, some manufacturers are selling 6 inch strips, but cutting your own 5 inch strips will be so easy. Love the ideas in this book.

Create gorgeous quilts from the latest pre-cut fabric rolls from Moda--Dessert Rolls. Featuring twelve gorgeous new quilt designs accompanied by step instructions and easy to follow diagrams, making them suitable for quilters of all abilities. Each quilt pattern has been recreated in an alternative colourway for extra inspiration. The dessert theme is echoed in the designs themselves which have been given tempting names such as Afternoon Tea; Sugar 'n' Spice; Pavlova and Marmalade Cake.

About the Author Pam Lintott opened her shop, The Quilt Room, in 1981, which she still runs today, with her daughter Nicky. Dessert Roll Quilts is Pam and Nicky's ninth book for David Charles following on from their eight extremely successful jelly roll quilt books including the phenomenally successful Jelly Roll Quilts and the last in the series Antique to Heirloom Jelly Roll Quilts.
