**Janine Warner : Digital Family Album Special Occasions: Tools for Making Digital Memories** before purchasing it in order to gage whether or not it would be worth my time, and all praised Digital Family Album Special Occasions: Tools for Making Digital Memories:

0 of 0 people found the following review helpful. Perfect for any with home and family and ideas for celebrating special holidaysBy Midwest Book ReviewJanine Warner's DIGITAL FAMILY ALBUM: SPECIAL OCCASIONS TOOLS FOR MAKING DIGITAL MEMORIES could also have been featured in our Computer area but is reviewed here for its family focus, perfect for any with home and family and ideas for celebrating special holidays. Here are all the tools needed to turn family photos into festive cards, scrapbook pages, cookbooks, websites and more, offering an array of recommended software and tools and teaching how to share projects via the Internet. Color photos throughout

pack a guide perfect for any who would put together a home scrapbook of impressive quality based on family photo archives. Diane C. Donovan California Bookwatch

Celebrate special occasions using digital photos in scrapbooks, gifts, and more! So you have a digital camera. And you have lots and lots of pictures. Now what? Now it's time for *Digital Family Album Special Occasions!* This easy-to-understand book shows exactly how to turn digital photos, prints, and other keepsakes into dynamic crafts and gifts for special occasions and holidays. Scrapbooks, calendars, websites, holiday letters, greeting cards, and so much more—the great ideas just keep coming. "But wait," you say. "I barely know how to turn on a computer." No problem! Author Janine Warner has your back. With her simple step-by-step instructions, anyone can choose the right equipment and software, take better pictures and edit them, create personalized cards, holiday letters, and other gift items, and much more. *Digital Family Album Special Occasions* combines digital photography, crafting, and special occasions to make it easy to share good times with friends and family, whether they live around the corner or around the globe.

About the Author: Janine Warner is the author of *Creating Family Web Sites for Dummies* and *Managing Web Projects for Dummies*, and many other books. Her syndicated column, *Beyond the Net*, appears in many major newspapers. She lives in Los Angeles.
