Alexander du Pr : Dividing: Tools and Techniques (Crowood Metalworking Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dividing: Tools and Techniques (Crowood Metalworking Guides):

This new practical guide to dividing, or indexing, shows how to achieve maximum versatility from a limited range of tooling

About the Author Alexander du Pr is a lifelong model maker and an amateur model engineer. His articles have appeared in the modeling press, and he has exhibited his work at model engineering exhibitions. He is a naval architect and a chartered engineer with a long career in the marine industry.
