Easy to put together and one receiving the gift will be happy it was home made and they mean a lot more than store bought gifts. Other works by the author are highlighted at the end. 0 of 0 people found the following review helpful. A great bookBy RobertoI enjoyed reading this book because it has lots of ideas for DIY holiday gifts which I think I can manage to do by myself. I can't wait to do some of it on Christmas season and share the knowledge with my daughter. 0 of 0 people found the following review helpful. Valentine day is approachingBy CliffordWith valentine day approaching I needed some thoughtful gift idea to send it to my wife. This book allowed me to know different types of gifts that I didn't even realize existed. Highly recommended for anyone who is in relationship and wants to give your special one a very special gift
