Roselyn Gadia-Smitley : Dolls' Clothes Pattern Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dolls' Clothes Pattern Book:

1 of 1 people found the following review helpful. Give an old doll a new wardrobe. By G. Spencer This is an older book, but patterns are included, and the instructions are fairly easy to follow. I bought some second hand dolls for my two granddaughters. I have tons of fabric scraps from quilting; a friend is going to help me make clothes for the dolls. 0 of 0 people found the following review helpful. nice book with assortment of doll sizes and patterns to ... By wprice6427 nice book with assortment of doll sizes and patterns to make. i just trace the patterns to freezer paper and cut out. patterns are fairly simple. directions are written but you need a little sewing experience because they're not real detailed. 0 of 0 people found the following review helpful. Five Stars By ralph hollis Nice book

With simple sewing skills, you can create a wardrobe for a Barbie or clothe a prized antique in any period costume.

From Publishers Weekly The cover photograph of a doll dressed in an old-fashioned pinafore offers no clue that this book provides wardrobes, mostly contemporary, for Cabbage Patch Kids and Barbie, Chrissy and various baby dolls. There are 73 actual-size patterns, though many are for simple caps and pants to accompany basic, fitted dresses. Poor organization and follow-through make this collection a disappointing resource. Eight color photos (far too few) and a sketch of each garment illustrate minor embellishments, but possibilities for adapting patterns—changing a neckline or sleeve length, or using different fabrics to achieve a variety of looks—are largely ignored. Muddled instructions are not

helped by long-winded phrases like "steps that will greatly aid in the ease of the construction . . .," a pattern for a doll body with no explanation as to where the plastic heads can be obtained and a meager history of dolls. The author is a doll collector, and amateur doll-maker and artisan. Better Homes and Gardens Crafts Club selection. Copyright 1987 Reed Business Information, Inc.
