I did learn a few addition things from the technique explanations and am looking forward to practicing using the instructions. I think this will be a very good reference to have around.0 of 0 people found the following review helpful. Awaken the Artist you didn't know you were!By brenda nanomantubeThis book as with all of Donna's books is very informative with many pictures and instructions on how to paint beautiful pieces of art, I've always wanted to be able to paint beautiful flowers, but have

always had trouble with shading and highlighting. With Donna's one stroke technique she teaches you how to double load your brush with two colors and magically the shading and highlighting are there with just one stroke. These are easy to follow instructions, whether you have experience in painting or not you will be able to paint gorgeous pieces of art with this book. I highly recommend this book as well as Donna's other teaching materials. 0 of 0 people found the following review helpful. Excellent Step-by-Step Fabric Painting Instructions By Angel In "Fabric Painting", Donna Dewberry guides you gently through every step, from the right paints, accessories and fabrics. She shows the why and the why not in direct easy to understand language. The quality of the pictures are great, and there are many of them. Donna Dewberry reveals to her readers how to paint on shoes, hand bags, tablecloths and more. If you are interested in painting on fabric, I highly recommend this book because of its 'Excellent Step-by-Step Fabric Painting Instructions'.
