I don't mean to be unfair... Maybe it is meant for kids under age 12.0 of 0 people found the following review helpful. great conceptBy J. Nishimitsulove the concept of this book...but so short! easy to follow and create your own style of doodling...just wish there were more content.0 of 2 people found the following review helpful. informacaoBy Patricia MouroAchei com muita informacao ao mesmo tempo, prefiro projetos mais simples, nao foi o meu estilo.

The Doodle Formula is a delightful book showing the reader that doodles can be used on many things! Did you think doodling was just for daydreamers? Think again--it's fun, fast and the latest craze in scrapbooking! Adrienne Looman,

designer for Urban Lily and ScrapinStyle TV has published her first book with Bluegrass Publishing. This sassy and sophisticated new title, 'The Doodle Formula: A step by step guide to creating the perfect doodle' redefines the art of doodling by teaching readers how to incorporate doodling into craft projects and discover their own unique doodle personality. Adrienne offers an easy, step-by-step guide to creating your own doodles with full-color designs and ideas to inspire you. She also shares some of her own intricate doodlings.
