"For Coloring Book Graduates!"Learn to draw and experiment with color right on the pages of this fun sketchbook!Draw, Color, and Sticker Nature Sketchbook series offers page after page of beautiful inspiration designed to get you drawing. Stickers and partially illustrated pages provide a rich canvas to encourage you to practice drawing various themes and elements. Each illustrated spread is followed by a prompt with the same theme, ready for readers to take the lead and fill in with their own designs and stickers. Black and white drawings with touches of color will get

you started started, and invite further experimentation. The uncoated paper stock is perfect for drawing, painting, and coloring with any variety of materials. The included stickers are printed on soft uncoated paper so they can take color or additional drawing on top, perfect for personalization! Draw, Color, and Sticker Nature Sketchbook is a simple, yet, beautiful creative outlet for anyone learning to draw.

About the AuthorKatie Vernon is an illustrator who has spent most of her life in the midwest but whose heart belongs in the mountains. She is a trend leader and a master watercolorist, and winner of the 2015 Lilla Rogers Global Talent Search. Her inspiration comes from being a florist, working with alpacas, and living on a bus. She's worked with Ikea, The Land of Nod, Hallmark, Oopsy Daisy, and Chronicle Books; and has been featured on HGTV, Design\*Sponge, and OhJoy! Some of her favorite things include rearranging furniture, seltzer water, and two different species of animals becoming friends. Katie is also rather fond of her partner, daughter, and part-dingo dog.
