Albina Bailey : Dressing Dolls in Nineteenth Century Fashions, Vol. 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Dressing Dolls in Nineteenth Century Fashions, Vol. 2:

For French FashionsBy Mary In The MidwestThis book would be of interest for costumers of lady and French fashion dolls, as the focus of the book is ladies Victorian fashions. Nothing for children fashions. It really doesn't have all that much info re: dressing dolls as showing what fashionable Victorian ladies wore. In my opinion there have been better books subsequently, although for its time it was probably quite the thing.
