**Gale Zucker, Mary Lou Egan, Kirsten Kapur : Drop-Dead Easy Knits** before purchasing it in order to gage whether or not it would be worth my time, and all praised Drop-Dead Easy Knits:

Finally, a knitting book featuring fantastic projects that don't require you to study a pattern for hours--a sure recipe for blissful, carefree knitting. A book of great potential gifts and keepsakes, this collection of 30 dynamic projects--from blankets to simple sweaters to wraps--is designed so you can easily pick up your needles during moments of free time, whether binge-watching a show, waiting for your plane to board, or having a "wine and knitting" night with friends. For key moments--such as joining an arm to a sweater or casting on additional rows--patterns are coded with "concentration zones" and "cruise control" segments for when you can go into a mindful state and let the knitting take a back seat. Thin enough to slip in your bag, with charming four-color photography throughout, Drop-Dead Easy Knits

is the answer to all your laid-back knitting needs.
