Monna Ellithorpe : Easy Double Wedding Ring Quilt: Made Quick Easy before purchasing it in order to gage whether or not it would be worth my time, and all praised Easy Double Wedding Ring Quilt: Made Quick Easy:

14 of 14 people found the following review helpful. Quick way to a Traditional LookBy Darlene TolliverThis is a quick way to make the quilt; however, it does not look EXACTLY like the traditional double wedding ring. The joining blocks are different.6 of 6 people found the following review helpful. Poor photocopyBy Sandra G. FentonThis booklet is a poor-quality photocopied pattern. Although the author did send a prompt improved copy of the pattern pieces via email, it is still a disappointment.9 of 9 people found the following review helpful. just an ad to buy

more thingsBy Susan WolfeTerrible booklet. I expected a better pattern for piecing and it's applique and in order to do do it the way this booklet says you have to buy a template and fusing that costs more than the book (way more). AND the author gets money from the company if you buy those things thru .Nope, didn't do me any good at all. Found a wonderful free pattern on the net.

In this book I will show you with detailed instructions and pictures showing each step of how to make this beautiful quilt. Do you hate curved piecing and pinning? No more of that with this wedding quilt pattern. You will have a beautiful quilt to pass along to generations in your family and only you will know how easy it was to make.

About the AuthorThis is Monna Ellithorpe's first published instructional book which came out of sheer frustration in trying to make a Double Wedding Ring Quilt. Wanting so desperately to make this beautiful quilt for her daughter, she sat down and through many trials and errors, she came up with an easy way to make this avoided and difficult pattern so easy that even a beginning quilter could make a Double Wedding Ring Quilt the first time out.
