Carol Doak, Ursula Reikes : Easy Paper-Pieced Miniatures before purchasing it in order to gauge whether or not it would be worth my time, and all praised Easy Paper-Pieced Miniatures:

0 of 0 people found the following review helpful. Five Stars By Quilt book collector Great book and easy to read instructions.
0 of 0 people found the following review helpful. Five Stars By Paul Corbin Perfect for my current project
0 of 0 people found the following review helpful. You Decide the size! By carole b. Love these miniatures. But since they're paper-pieced, I blew them up to 400% of their original size, and made full-sized quilted projects of some.

Follow Carol Doak's step-by-step instructions to create your own perfectly stitched, small-scale masterpiece. Choose from 17 charming miniature quilts.

From Library Journal Doak, who has several previous titles from this publisher, is an expert in teaching paper piecing, a quilt construction method that involves sewing oversize fabric pieces to a paper foundation following a numerical sequence. Her new book adapts that technique to the requirements of miniature quilts, which normally measure no more than 24" square and by definition are scaled-down versions of full-sized quilts. Included here are complete step-by-step instructions and paper-piecing designs for 17 miniature quilt projects. A good choice for public libraries. Copyright 1998 Reed Business Information, Inc. About the Author Hometown: Windham, New Hampshire As a bestselling author, celebrated teacher and lecturer, and award-winning quiltmaker, Carol Doak has greatly influenced the art and craft of quiltmaking for more than a decade. Her accomplishments include authoring over a dozen books and designing quilts that have appeared on the covers of nearly every quilting magazine in the U.S., including Quilters Newsletter Magazine and McCall's Quilting.
