**Olivia Nelson : Easy Soap Making Recipes: How to Make Handmade Soap for Beginners** before purchasing it in order to gage whether or not it would be worth my time, and all praised Easy Soap Making Recipes: How to Make Handmade Soap for Beginners:

0 of 0 people found the following review helpful. Easy and quick funBy KayIt was easy and fun to make with my grand-daughter2 of 2 people found the following review helpful. It's only about Melt and PourBy eagleIt is a good

book but the title is misleading. I thought it was going to be about Cold Process or Hot Process soap making. It is a book entirely about Melt and Pour, which is fine and she does a great job at it, but it led to a huge disappointment because I was expecting something different. She should really consider clarifying that because I am sure I won't be the only one. 0 of 1 people found the following review helpful. Great Book By Deborah Peterkin Looking forward to making soap out of this book. Easy to read and follow the directions. Would highly recommend to my friends.
