There are several items I plan on making this winter when it's cold and snowy outside!4 of 4 people found the following review helpful. Edwardian EraBy Betty R. KnocheWonderful! Lots of furniture complete with directions AND templates to build. Also many accessories. Am anxious to start sharing with my miniature clubs and get building.0 of 0 people found the following review helpful. It's very kind.By WillVery detailed. Even good for rookies like me. Edwardian is not my thing but I still get lots of info about building furnitures.

The Edwardian Era (1901-1910) looms larger than life in the imaginations of those who love rich decor and fabulous furniture. This delightful book contains 40 carefully researched, tried-and-tested Edwardian miniature projects, perfect for truly authentic-looking dolls' houses. Divided by room, it features furnishings for every area in the home, from the hallway to the attic. Templates, history, and helpful advice make this an invaluable sourcebook for a bygone age.
