Emily Brown : Elf Antics: Official Elf Spotter Memory Photo Book Journal before purchasing it in order to gage whether or not it would be worth my time, and all praised Elf Antics: Official Elf Spotter Memory Photo Book Journal:

Where is Your Christmas Elf Today? Now you can remember all of your Elf's ideas, mischievous pranks and clever hiding places year after year with the first ever Elf Antics Official Elf Spotter Photo Memory Book Journal. Emily Brown created this magical photo memory book and journal to make it easy and fun to keep track of your Elf while he

or she keeps track of you! Beautifully illustrated in full color to delight children and adults. Capture the magical joy and excitement of your Elf's antics every year (not to mention, remembering all the hard work the Elves put into the ideas and pranks!) Each Elf Antics Memory Photo Book Journal Includes: 25 Journal Pages for Your Elf Sightings - each page includes a spot for your Elf Sighting photo (up to a 4x6 size), location, day and date, plus the official Elf Spotter signature. About Your Elf Page - room for 2 Elves (just in case) Dozens of Favorite Prank Ideas Rudolph's Funniest (and corniest!) Elf Jokes Delightful Original Elf Coloring Pages An Elf Supply List including over 50 ideas for what Elves like to use You'll be sure to cherish this Original Tracker and the Perfect Companion for your Christmas Elf. A wonderful holiday gift for children, families, neighbors - for everyone who believes in a little Elf magic.
