**Christie Jones Ray : Eliza A Guide For Making Your Own Mouse** before purchasing it in order to gage whether or not it would be worth my time, and all praised Eliza A Guide For Making Your Own Mouse:

0 of 0 people found the following review helpful. Five Stars By Jane Smith Wonderful, charming book.

This Guide was initially created for a kit that included supplies for making a linen mouse, wearing a shawl and kerchief created from a vintage handkerchief. It may be used with the updated Mouse-Making Kit (available on my

website [www.christiejonesray.com](http://www.christiejonesray.com) ) realizing the materials have been changed in order to create a mouse similar to the Original Eliza the Mouse TM which is made from natural cotton batting with a cotton wicking tail.
