**Jennifer Chiaverini, Nancy Odom : Elm Creek Quilts : Quilt Projects Inspired by the Elm Creek Quilts Novels**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Elm Creek Quilts :  
Quilt Projects Inspired by the Elm Creek Quilts Novels:

1 of 1 people found the following review helpful. Can't wait to start my newest quilt thanks to Jennifer ChiaveriniBy  
TRAINPATCHHave been looking forward to seeing the quilt blocks from my favorite books for some time and was  
so happy to sit down this afternoon and look through a wide assortment of them. Now I have to chose which one to  
start with. So many quilts, so little time (as the old quilters say).I must say that I was thrilled to see that the cover was  
of Elm Creek and I think that will be the one I tackle. Hope I do it justice, but I can always pretend I am in the  
ballroom and sitting with all of the campers as I learn. What a wonderful way to sew.Thanks Jennifer.1 of 1 people

found the following review helpful. Love this Book, also!By PlaneJaneI received this yesterday. I love the quilts in this book. I have never quilted, but have enjoyed reading some of the Elm Creek Quilt Stories Jennifer Chiaverini has written. I hope to read them all. I am also wanting to learn something more about quilting, because I have some fabric from some of my Mother's clothes and it was suggested I make them into a quilt, shortly after she passed away in 2010. I hope to put together a memorial quilt, or possibly some quilted items I can share with others in the family, after I learn to do something. Yes, I would recommend this book to anyone interested in quilting patterns, or who enjoys reading Ms Chiaverini's books!14 of 14 people found the following review helpful. A must haveBy Citlali T. Contreras MorenoBeing relatively new to quilting (have only been quilting for two years) I admit I bought this book only because I liked the novels so much, intending to some day have the time and skills to make the wonderful quilts I imagined and that were so beautifully brought to life in the cover at least (Round robin is practically exactly as I imagined it to be).To my surprise, the quilts were not lovely. They were exquisite! I went mad about them! and on reading the instructions I found them clear, and the bits and snips of information about the characters and extracts from the novels only added to the charm of the quilt, for they reminded me about the circumstances in the novel around that particular quilt.I highly reccomend this book, and since I am already starting one of the projects, soon I will add a review about how it was to actually follow the instructions to a neophite. I expect more experienced quilters will have no trouble at all

12 quilt projects based on the bestselling Elm Creek Quilts novels.

About the AuthorJennifer Chiaverini started quilting as a newlywed, wanting to begin her marriage with an heirloom quilt. She is the author of *The Quilter's Apprentice*, *Round Robin*, *Cross Country Quilters*, and *The Runaway Quilt*, which comprise the Elm Creek Quilts novels from Simon Schuster. Jennifer lives in Madison, Wisconsin. Nancy Odom is a popular quilt designer, teacher, author, and the creator of *Quilter's Gloves*. She made her first quilt at the age of 17 and credits her grandmother with passing along her love of quilting. Nancy lives just outside Indianapolis, Indiana.
