Just received it the other day - it is just adorable for taking to my quilt classes. It has a few pockets inside and also has a zipper on top which was a nice surprise. I just love all the books from the Elm Creek Quilt series so I just had to have the tote which represents the quilt blocks. The handles are just the right size - can be carried on your shoulder or looped over the handle on my sewing machine trolley.12 of 12 people found the following review helpful. A "must have" tote!By B. J. ScottLove Jennifer Chiaverini and all things Chiaverini! It is quite convenient and pretty to carry my projects and or books.8 of 8 people found the following review helpful. Tote bagBy Joanne HockenberryThis is a lovely tote bag, well put together and great graphics of the quilt patterns. It will be used as part of a gift.
