The best dressed babies wear DBBy MissTam5 Nobody knits for Babies like Debbie Bliss. This new grandma has waited years to go crazy with her books. Hopefully this will be the first DB book, and first grandchild, of many.0 of 0 people found the following review helpful. just what i was looking forBy Kathy Have been trying to find a pattern for a knitted baby sweater i found on line. The book is beautiful to look at and had my pattern. Instructions seem clear and how-to photos are very well presented. The only thing I would have liked was having the cm measurements also converted into inches

A complete knitwear collection for every new baby, this guide includes 20 must-have designs for babies ranging in age from zero to 18 months. Divided into three main sections Coming Home, On the Go, and Downtime the author has carefully considered the needs of any new parent and devised an assortment of essential projects for their newborn.

"Presenting twenty-four patterns, Bliss offers some usual suspects but knits up some surprises, too. Stash this tome for your next baby boom." *Vogue Knitting*
