Excellent reference!! 1 of 1 people found the following review helpful. Missing something! By Jilly of the Valley This is a pretty comprehensive review of different links you

can use in jewelry making, BUT.....there are no instructions! Not even basic ones that can then be varied. You have to try to figure them out yourself. Fortunately I can do that, but it may be more difficult for a beginner who will then waste a lot of wire trying to figure them out. 0 of 0 people found the following review helpful.
