Reed The book is best suited for someone who is relatively new to metal clay or PMC and is looking for basic projects designed to build skills. If one is a more seasoned craftsman, s/he may be disappointed.

This book presents 37 metal clay artists featuring 62 unique art pieces. The work is showcased using high quality images taken at various view angles to enable the viewer to make a complete inspection of the piece. Each art object is accompanied with a brief commentary about the artist's work, a listing of statistics for the piece, plus the artist's contact information.
